705 North Kenwood, Oak Park

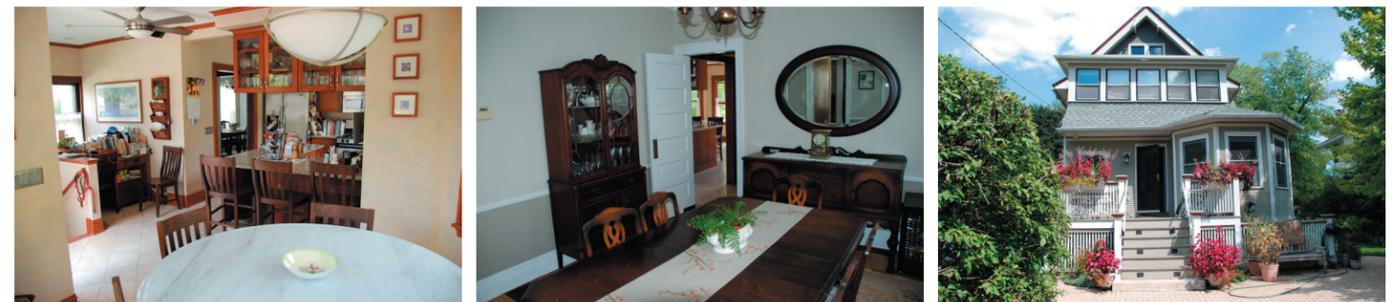

This is one of Oak Park's classic turn-of-the-century Victorians complete with sturdy front porch. This 5-bedroom, 2.5 bath home has been well-cared for, modernized and restored. Traditional entry foyer leads to spacious living and dining rooms. Simple yet classic woodwork, hardwood floors and art glass are found throughout the home. Updated in 2005, the kitchen and eating area are unique and open – a great family gathering spot. The kitchen looks out through several windows on a lush landscaped yard, large porch, patio and private garden – an excellent spot for taking in nature or throwing a party. The second floor has 4 spacious bedrooms plus a sleeping porch. Third floor has a finished bedroom and lots of storage! All rooms are light and bright with large windows. Lower level has a comfortable family room with a full bath, a separate laundry room and full-size workshop. Can't beat the schools or the neighborhood
