705 N Kenwood, Oak Park IL 60302

Open Sunday 1-3 pm

This is one of Oak Park's classic turn-of-the-century Victorians complete with sturdy front porch. This 5-bedroom, 2.5 bath home has been well-cared for, modernized and restored. Traditional entry foyer leads to spacious living and dining rooms. Simple yet classic woodwork, hardwood floors and art glass are found throughout the home. Updated in 2005, the kitchen and eating area are unique and open – a great family gathering spot. The kitchen looks out through several windows on a lush landscaped yard, large porch, patio & private garden – an excellent spot for taking in nature or throwing a party.
